Naval Auto Contest in September Attracting Attention.

ber Attracting Attention.

(Special to The Times-Dispatch.)

COLORADO SPRINGS, COLO., March

M.—No automobile contest ever held in
the West has excited more interest than
the Pike's Peak run, to be held in September. Already there are nearly twentyfive entires, coming from all parts of the
country, and a number of enthusiasts are
having cars built expressly for the event.
The contest will really consist of the
manipulation of machines and engines.
The grades up to the peak are not hard,
except in one or two places, nor is the
length of the climb too great a tax on
autos. The chief difficulty to be overcome will be that of adjusting engines
and gas mixtures to the varying elevations.

Pike's Peak has been climbed by auto
just once, and that by Denver men several years ago.

or hard hit iners.

Adams let down the Pennsylvanians with three hits, retired five on strikes, and allowed but one to walk. Only twenty-nine batsmen faced him in the innings, and but one reached sec-

nine innings, and but one reached second base.

Newberry pitched a good game for La-Fayette except in the fourth, when Virginia bunched hits and sent four men across the plate. Council opened up with a hit to center and Graham was hit by a pitched ball. Captain Stuckey followed with a double to right field, scoring Council. Graham taillied on White's single and Stuckey on Chandler's long fly to center. White counted on a fielders choice. For LaFayette, Irwin put up a fine game at backstop, and Folkensen and McAvoy, in the outer garden, made difficult running catches. Graham and Adams headed off two hot liners knocked by McAvoy and Irwin, and Captain I. P. P. Winston, clerk of said court, certify that the bond required of the Special Commissioners by the decree in said cause of March 29th, 1906, has been duly given.
